# ARE YOU WALKING ON EGGSHELLS?

HOPE & HEALING ARE  
HERE FOR YOU

Does your partner...

- Control where you go, how you spend money, with whom you talk or how you spend your time?
- Pressure or force you to have sex when you don't want to?
- Say it's your fault, promise it won't happen again but then it does?

If even one of these things is happening to you, you may be experiencing abuse and you could be in danger.
